Infodart

**REDEFINING AND ASSURING
BUSINESS IN A SIGNIFICANT WAY**

ABOUT US

Infodart Technologies Ltd, a global Information Technology and System Integration Company, incorporated in 2007. We are today the trusted partner of many organizations across the Asian continent and are diversifying across the Globe.
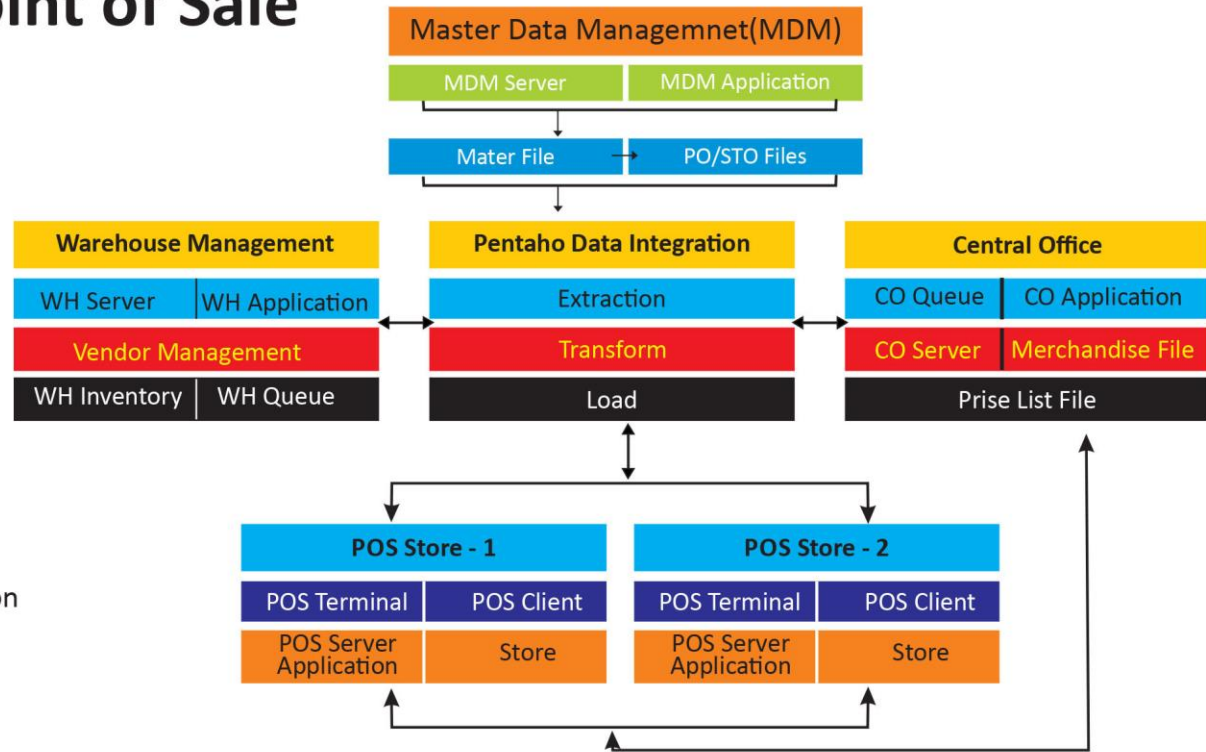

We provide innovative and customized business fit solutions to the organizations and help them do business better by leveraging our expertise, industry-wide experience and comprehensive portfolio of services. Our IT services spectrum include SAP, Oracle Retail, Custom Development and Cloud Services.

In this technology driven world and customer needs, it's imperative for organizations to transform and re-engineer themselves to adapt to the business dynamics. At Infodart, we provide end-to-end solutions to the organizations, right from consulting, project analysis, infrastructure, designing, testing to integration, implementation and business lifecycle support. With Infodart's global services, you can achieve a better return on your IT investment – and much sooner – helping you to realize your business objectives.
